

Federal Laboratory Consortium Biodiesel Survey

The purpose of the survey is to learn about federal usage, challenges and costs of biodiesel, and to create an education and training program on biodiesel use for federal agencies.

Please complete the questionnaire and fax (360-681-8885) or email (rick@zyn.com) to our Far West support office. If you have any questions, please call Rick Shindell at 360-582-9106. Thank you for your cooperation.
